ACADEMY OF DENTISTRY

**YEAR BOOK
1958-1959**

TORONTO

President's Foreword

The Academy of Dentistry, Toronto, is on the threshold of another year, which gives promise of providing a programme, which should justify the wholehearted support and enthusiasm of every member. The pages contained within this Year Book are attempting to provide an easy reference for the schedule of Academy events as they occur.

May I draw your attention to the increased time devoted to our meetings in January and February as listed within this volume. These guest Clinicians are outstanding men in their fields of Dentistry and I would urge you to make arrangements to see their entire presentations.

The members of the Academy Council are entrusted with the responsibility of stimulating fellowship among the members of our profession, together with the provision of a programme of Clinical Education, which will be both interesting and beneficial. This year we have tried to the best of our ability to fulfill that trust. However, there is still a responsibility that must be shared by each member of the Dental Profession in this Metropolitan Area, if we are to achieve the success which we anticipate. That responsibility or obligation is to support your Academy with your membership, your attendance, your enthusiasm and your loyalty.

WILLIAM A. WEIR,
President.

OFFICERS OF THE ACADEMY OF DENTISTRY

President — William A. Weir, 2 Bloor St. E.	WA.	2-8181
	Home HO.	5-6189
President-elect — J. A. Bigelow, 2298 Yonge St.	HU.	5-2786
	Home BA.	5-3890

HONORARY LIFE MEMBERSHIP

THOMAS ROBERT MARSHALL

D.D.S., F.A.C.D.

Dr. Tom Marshall, the man whom our Academy is honouring this year, received his early education in his birthplace, Brampton, Ontario. He graduated in dentistry in 1921 and has been a continuous member of this Academy since that time. He has served on many committees with distinction and was elected to the Council in 1928. Tom was President of the Academy in the difficult year 1932, at which time he chaired the Welfare Committee organizing aid for needy patients, and also dentists. In his term of office the Ladies' Auxiliary was established and the history of the Academy consolidated into permanent form. He has been Chairman of the Dental Public Health Committee of the Ontario Dental Association, Assistant Editor of the Canadian Dental Journal, member of Canadian Dental Association Health Insurance Studies Committee, Consultant

from the Board of the Royal College of Dental Surgeons on the Workmen's Compensation Board of Ontario. In 1950 the American College of Dentists conferred a Fellowship on Tom, and he is presently chairman of the Social Economics Committee.

He has a daughter graduated in Occupational Therapy, and his two sons are dentists, active in the Academy. An Elder in his church, he has been Sunday School Superintendent and for years taught a large Bible Class. He is also an active Rotarian in Forest Hill Village.

Among his earlier hobbies were golf and fishing, now relinquished in favour of gardening, especially the growing of roses. In winter he skips his own rink at the Granite Curling Club.

There can be no doubt that Dr. T. R. Marshall will receive a warm welcome by the other members of this illustrious Academy group.

CALENDAR OF DENTAL MEETINGS

1958

- Sept. 19 — Toronto North Association, Golf and Banquet
Sept. 29-30 — Dental Section of Ontario Public Health Assoc.,
Annual Convention
Oct. 2 — Crown and Bridge Study Club
Oct. 2 — Toronto East Association, Golf
Oct. 15 — Toronto West Association, Ladies' Night
Oct. 23 — ANNUAL DINNER MEETING — ROYAL YORK HOTEL
Nov. 5 — Toronto Central Association, Exhibition
Nov. 6 — Crown and Bridge Study Club
Nov. 11 — Toronto North Association, Dinner Night
Nov. 12 — Toronto West Association, Table Clinic Night
Nov. 20 — Toronto East Association, Dinner
Nov. 26 — Metropolitan Dental Health Conference
Nov. 27 — ANNUAL WINTER CLINIC — ROYAL YORK HOTEL
Nov. 28 — Dental Alumni Association, Clinic Day
Dec. 4 — Crown and Bridge Study Club

1959

- Jan. 8 — Crown and Bridge Study Club
Jan. 13 — Toronto North Association, Dental Night

Mar. 5 — Crown and Bridge Study Club
Mar. 6 — ACADEMY DINNER DANCE — GRANITE CLUB
Mar. 17 — Toronto North Association, Ladies' Night
Mar. 26 — THIRD STATED MEETING — OSLER HALL
Apr. 2 — Crown and Bridge Study Club
June 12 — Toronto West Association, Golf and Dinner

ANNUAL DINNER MEETING

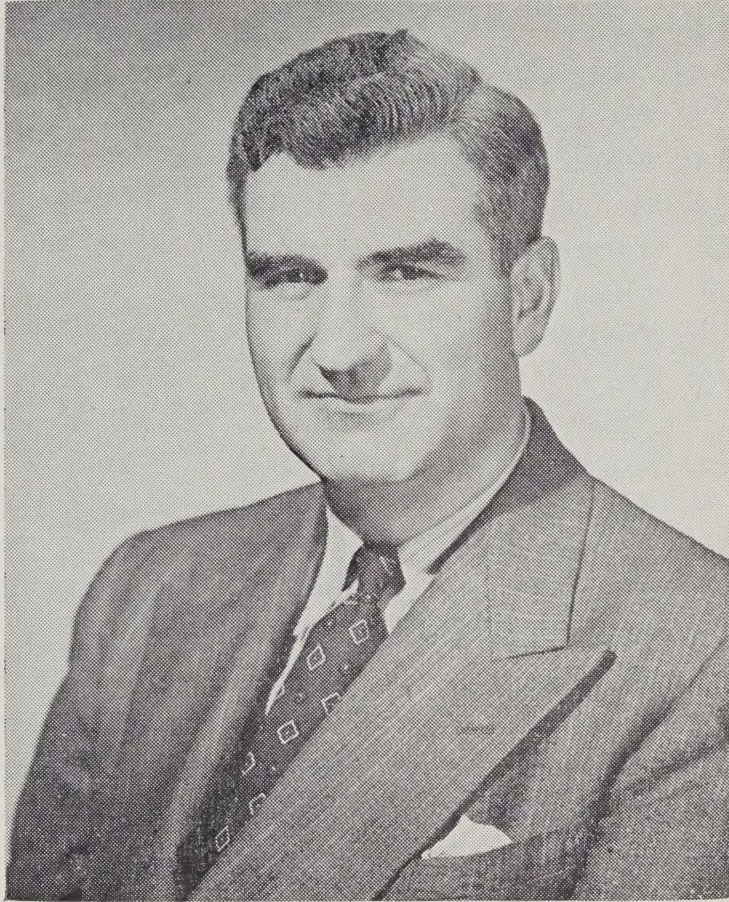

ROYAL YORK HOTEL

RECEPTION 6.00 P.M.

DINNER 7.00 P.M.

THURSDAY, OCTOBER 23, 1958

(Dress Optional)

Guest Speaker: DONALD M. GRAHAM, B.A.
Director of Education, Forest Hill Village Schools

Topic: "Hard Schools in a Soft Society"

Following graduation from the University of Toronto in 1927, Mr. Graham served on the teaching staff of Runnymede Collegiate Institute until 1940. Moving then to Forest Hill Collegiate Institute he joined the Department of History, where his outstanding ability was soon recognized and rewarded by being elevated to the Directorship of Education for that Municipality in 1945.

Mr. Graham has been most enthusiastically received by other groups on past occasions and the Academy of Dentistry looks forward to hearing this address by an outstanding member of the teaching profession.

PAST PRESIDENTS OF THE ACADEMY OF DENTISTRY

The Past Presidents of the Toronto Dental Society are identified as Past Presidents of this Academy. Below is a list of the Past Presidents indicating the year they held office:

*1891-92	N. Pearson	*1925-26	W. G. L. Spaulding
*1892-93	J. B. Willmott	1926-27	H. G. Robb
*1893-94	N. Pearson	1927-28	R. S. Woollatt
*1894-95	W. H. Wunder	1928-29	W. B. T. Amy
*1895-96	G. S. Martin	1929-30	T. E. C. Butler
*1896-97	H. E. Eaton	1930-31	E. C. Veitch
*1897-98	A. J. McDonagh	1931-32	J. W. McDonald
*1898-99	J. E. Wilkinson	1932-33	T. R. Marshall
*1899-1900	J. B. Willmott	1933-34	E. A. Grant
*1900-01	A. E. Webster	1934-35	Frank Martin
*1901-02	F. D. Price	*1935-36	Wm. J. Kerr
*1902-03	W. E. Willmott	1936-37	S. S. Crouch
*1903-04	G. S. Martin	1937-38	Harvey W. Reid
*1904-05	C. E. Pearson	*1938-39	Harold Hoag
*1905-06	W. G. L. Spaulding	1939-40	Wm. G. Trelford
*1906-07	J. B. Willmott	1940-41	Edmund T. Guest
*1907-08	R. G. McLaughlin	1941-42	Stewart A. MacGregor
*1908-09	A. J. McDonagh	1942-43	Lloyd M. Grose
*1909-10	H. E. Eaton	1943-44	Charles McLean
*1910-11	A. E. Webster	1944-45	Harold Skilling
1911-12	A. D. A. Mason	1945-46	Harold A. Swales
*1912-13	C. A. Kennedy	1946-47	H. Colton Bliss
*1913-14	W. E. Willmott	1947-48	F. Harold Shepherd
*1914-15	G. W. Grieve	1948-49	J. H. Johnson
*1915-16	F. C. Husband	1949-50	E. A. White
*1916-17	E. F. Arnold	1950-51	Earl Bancroft
1917-18	W. B. T. Amy	1951-52	Mark G. Boyes
1918-19	J. E. Rhind	1952-53	J. Gordon Chalmers
*1919-20	R. D. Thornton	1953-54	E. J. Henderson
*1920-21	W. H. Coon	1954-55	W. James Smith
*1921-22	H. A. McKim	1955-56	J. Bevan King
1922-23	R. Gordon McLean	1956-57	Harvey Milburn
*1923-24	J. A. Bothwell	1957-58	Robert W. Marshall
*1924-25	Arthur Day

ANNUAL WINTER CLINIC
THURSDAY, NOVEMBER 27, 1958
ROYAL YORK HOTEL

Space will have become a very scarce commodity at the Royal York by Winter Clinic time this year. The new addition to the hotel is expected to open only two weeks *after* our clinic. So, in preparation for this, our accommodation has been pared to a minimum — much less than last year! However, the Winter Clinic committee has made every effort to make this a very worthwhile day — stressing quality rather than quantity.

The clinic will be highlighted by:

DR. FREDERICK A. HOHLT, Indiana University, Indianapolis, Ind.

Subject: “Elastic Impression Materials and Applications and Techniques”

DR. WILLIAM E. BROWN, JR., University of Michigan, Ann Arbor, Mich.

Subject: “The Management of Development Problems in the Growing Child” and “The Management of Injuries to Young Teeth”

WINTER CLINIC COMMITTEE

General Chairman:

James A. Bigelow

Group Clinics:

Wm. G. Woods, Chairman

Philip Scott

Samuel Mednick

Table Clinics:

J. E. Carson McGowan, Chairman

Morley G. Hardy

Registration:

D. H. R. Kingman, Chairman

Fred H. Froud

A. E. Histrop

V. A. Herron

Equipment:

John H. Mullett

Commercial Table Clinics:

D. J. E. Mitchell

Publicity:

E. R. W. Bilkey

ANNUAL WINTER CLINIC

Luncheon Speaker

HON. ROBERT WINTERS

Toronto, Ontario

Hon. Robert Winters, President of the Rio Tinto Mining Co. of Canada Ltd., was born in Lunenburg, N.S., on August 18th, 1910. He was educated in public schools there and in 1931 graduated from Mount Allison University, Sackville, N.B., with a B.A. degree. He later attended the Massachusetts Institute of Technology in Cambridge, Mass., where he received his B.Sc. and M.Sc. in Electrical Engineering. He holds honorary degrees of L.L.B., D.Sc. and D.Eng.

Mr. Winters was associated with the New York Telephone Co. and the Bell Laboratories in New York while studying at M.I.T. In 1934 he joined the Northern Electric Co. in Montreal. During World War II he served with the Royal Canadian Ordnance Corps and later the Royal Canadian Electrical and Mechanical Engineers. He returned to civilian life in 1946 with the rank of Lieutenant Colonel.

Our speaker entered political life in 1945 when he won the seat in his home constituency of Queens Lunenburg for the Liberal party. In 1948 he was appointed Minister of Reconstruction and Supply; in 1950 he became Minister of Resources and Development; and in 1953 he was named Minister of Public Works, which position he held until June, 1957.

Mr. Winters is a Director of the Canadian Bank of Commerce, the Crown Life Insurance Co., the Toronto General Trusts Corporation, Bathurst Power and Paper Co. and other Canadian companies.

DENTAL PUBLIC HEALTH

In February, 1957, the Academy of Dentistry, in association with other educational, social, public health and community agencies, conducted a workshop-conference to examine into the dental health problems affecting Toronto school children and to develop a clearer understanding of the potential resources which are available to the community to meet these problems. The most important recommendation arising from this conference was a proposal seeking to establish a "Council on Dental Health" for the purpose of promoting dental health in Metropolitan Toronto by extending public knowledge regarding the nature, control and prevention of dental disease and by supporting a vigorous program of research and professional education.

Measures seeking to implement this recommendation and to establish a Council on Dental Health on the basis of a non-profit foundation have been initiated. With a view to assisting in these developments the Academy will now convene a "Conference on Dental Health Services in Metropolitan Toronto" on November 26, 1958. Delegates from the health departments of the 13 metropolitan area municipalities and the Social Planning Council of Metropolitan Toronto have been invited to meet for a series of lecture-discussions reviewing:

- (a) Dental Health Conditions in Metropolitan Toronto.
- (b) Present-Day Concepts of Dental Disease. Public Health Preventive and Control Measures.
- (c) Training and Employment of Auxiliary Personnel in Dental Public Health Programs.
- (d) Typical Health Unit and Regional Dental Health Programs in Ontario.
- (e) Potentialities of a "Council on Dental Health".

This conference will permit an exchange of views regarding some of the important dental health problems encountered in each area municipality and methods whereby dental health programs can be made a more effective part of public health services. It may further indicate some of the ways whereby the Academy can assist pending the establishment of a Council on Dental Health.

On Wednesday, February 4, 1959, the Academy will again collaborate with the Dental Public Health Committees of the Ontario and Canadian Dental Associations and with the Health League of Canada in the promotion of "Children's Dental Health Day". Details of the program of public information including radio, television and press coverage as well as presentations before service clubs, churches and community organizations will be made known in further publications issued from the Academy Office.

F. H. COMPTON,

Chairman D.P.H. Committee.

FIRST STATED MEETING
OSLER HALL **8.15 P.M.**
THURSDAY, JANUARY 22, 1959

Essayist: MILES R. MARKLEY, D.D.S., F.A.C.D., Denver, Colorado

Subject: "Saving Those Hopeless Teeth"

"Teeth with mutilated crowns, but having solid roots, can be dependably salvaged for many years of useful service by a method analagous to reinforced concrete architecture. Silver amalgam, reinforced with threaded stainless steel pins, is as different from ordinary amalgam as the concrete in a sidewalk is different from the reinforced columns of a modern skyscraper."

Biographically speaking Dr. Markley is a general practitioner and a graduate of the University of Denver, 1927. He is a distinguished clinician in all aspects of restorative dentistry.

He is a Past President of the Colorado State Dental Association and also the Denver Dental Association; Fellow of the American Academy of Restorative Dentistry; Fellow of the American College of Dentists; life member of the Woodbury Gold Foil Study Club and member of the Academy of Gold Foil Operators.

Because of the wealth of material which Dr. Markley has available, there will be an ALL DAY CLINIC on Friday, January 23rd, 1959, at the Seaway Hotel. A programme with complete details will be forthcoming at a later date, for this outstanding presentation.

ACADEMY OF DENTISTRY MEDIATIONS COMMITTEE

On Tuesday, May 13th, 1958, the Academy of Dentistry, Toronto, decided to form a Mediations Committee.

Basically this committee will attempt to mediate written complaints from patients. When possible, the patient will be encouraged to re-open discussions with his dentist in the hope that the problems will be self resolving. If these efforts fail, the dentist would be notified of the complaint and requested to submit his views — also in writing. If, from the material on hand, a meeting of both patient and dentist were indicated, this would be arranged. At this hearing the committee would attempt to eliminate the cause or causes of misunderstandings and prevent the need for further action.

The dental profession respects the privilege of self-discipline and expects of its members the highest degree of integrity. Fortunately, this privilege is not accepted as a right and is seldom abused. Undoubtedly all professions, when viewed from within appear to be and are conducted on a very high and respected plane. Such is the status of our dental profession. However, in spite of the best intentions and efforts made by individual dentists, misunderstandings with patients can and frequently do arise. If left untouched, these trivial misunderstandings may become amplified to a state of disagreement. From here, the step to harsh thoughts or legal action is often a short one. It takes only a few such episodes to make a dentist unhappy in his practice and perhaps in his community. These same few incidents, when fanned by word of mouth, may terminate in an unjustified but ugly feeling toward the whole profession. What started as a minor misunderstanding between one dentist and one patient has then entered the province of the profession as a whole. From such happenings no one gains.

The dental profession is not complacent in its attitude toward public opinion. On the contrary, patient dentist relationship which is the nucleus of public relations is a priority concern to the profession. Each of its members in turn is fundamentally motivated by his interest in public welfare.

With these thoughts in mind, your Academy feels that there is an area of need that can best be filled by the formation of a Mediations Committee.

THE UNITED APPEAL FUND CAMPAIGN

Last year, the United Appeal covered approximately 90 per cent of the voluntary social and welfare needs of Metropolitan Toronto.

The 1958 objective is \$8,750,000 . . . 6.2% more than was raised in 1957. Actually the requests of the 95 participants totalled \$10,000,000 and the final approved goal represents an absolute minimum need.

The actual canvass begins in September. Remember that the canvasser who calls on you is a busy doctor like yourself . . . Please make him welcome and be ready to contribute a donation budgeted over the year on a "Fair Share" basis. (Ask him to explain the Fair Share guide which is based on an actual analysis.)

It is your annual opportunity to buy Hope, Faith, Guidance and Care for thousands of your fellow citizens.

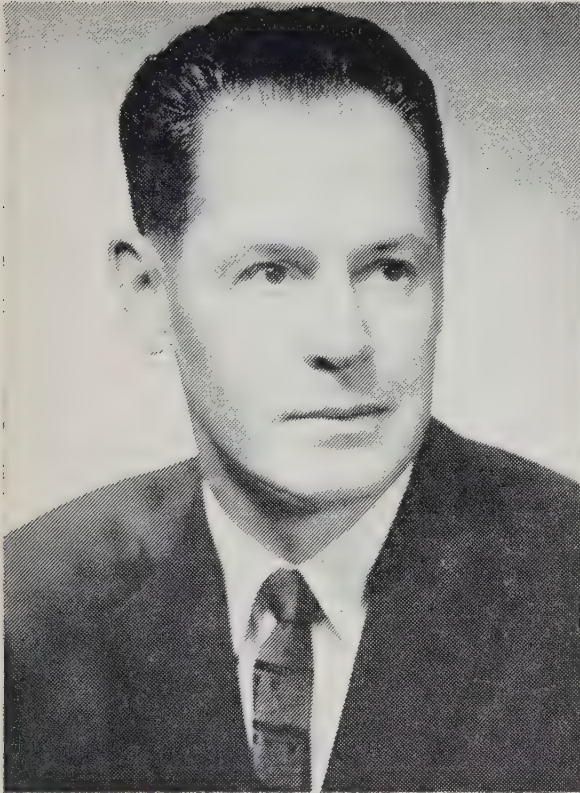

SECOND STATED MEETING

OSLER HALL

Afternoon Session 2.00 P.M.

Evening Session 8.15 P.M.

THURSDAY, FEBRUARY 12, 1959

Clinician: RODERICK A. McEWEN,
D.D.S., Atlanta, Georgia

Subject: "An Analysis of High
Speed with Special Emphasis
on Speeds above 100,000
R.P.M."

Dr. McEwen graduated from the University of Alberta in 1939; Associate Professor, University of Alberta, 1946 - 1949; Professor and Chairman of Fixed Prosthesis Department, Emory University, School of Dentistry, Atlanta, Georgia, 1950 - 1955; Fellow, American College of Dentists; Honourary Member, Chicago Academy of Dental Research. Presently in practice in Atlanta, Georgia.

Clinician: JOHN V. BORDEN,
D.D.S., Washington, D.C.

Developer of the Air Turbine
Handpiece

Subject: "Rotary Cutting Instru-
ments at Ultra High Speed"

Dr. Borden, who is interna-
tionally known, is a graduate of
the University of Illinois in 1939,
and at the present time is in priv-
ate practice in Washington, D.C.

THE PRESIDENT-ELECT'S MESSAGE TO THE ACADEMY

On behalf of the Canadian Dental Association I extend to you sincere greetings and best wishes for a successful year. By your attendance you are showing that in furthering your own professional welfare you are really endeavouring to promote the welfare of all those whom you serve. Modern life today is so complex, and its demand so pressing that any individual, no matter how gifted he may be, can no longer function effectively alone, but must collaborate with others of his profession. As a profession we are realizing more than ever today what splendid opportunities we have for service, and I am convinced we will meet our professional responsibilities to the best of our ability, and endeavour to render an efficient public service.

G. M. DEWIS,
Halifax, N.S.

THIRD STATED MEETING

OSLER HALL

8.15 P.M.

THURSDAY, MARCH 26, 1959

Clinician: GEORGE A. MORGAN, D.D.S., Toronto

Subject: "Differential Diagnosis and Surgical Treatment of
Anterior Maxillary Problems"

Clinician: HOLLY HALDERSON, D.D.S., Toronto

Subject: "Early Second Molar Extractions in Orthodontics"

We are indeed fortunate in securing these two outstanding men in their respective fields of Dentistry for this final meeting of the current year, which is Past Presidents' Night.

ACADEMY OF DENTISTRY EMERGENCY SERVICE ROSTER

This important public service has been functioning only since April, 1958, but is already proving to be excellent for public relations. The Academy has organized a roster of volunteers to provide after-hours Emergency Dental Attention for patients who have been unable to contact their own dentist; those who have no regular dentist; or those who are visitors in the area.

How Does the Emergency Service Roster Operate?

- (a) The hours for emergency service are:
 - Monday to Thursday — 7.00 p.m. to 6.00 a.m.
 - Friday and Saturday — 6.00 p.m. to 6.00 a.m.
 - Sunday and Holidays — all day
- (b) The patient's call is received by Telephone Answering Service who in turn contact one of the two dentists on call giving the patient's name and telephone number.
- (c) The dentist contacts the patient and determines whether it is necessary to see him or to prescribe home treatment. Where necessary the patient should be seen in the office.
- (d) All oral surgeons are available for service if the dentist considers it necessary after seeing the patient.

Points to remember when it is your duty night

1. If you cannot cover your assignment, it is your responsibility to exchange days with someone else on the Roster and inform the Academy Office at WA. 4-8041 or Telephone Answering Service — WA. 1-3113.
2. When you telephone the patient prior to seeing him, make sure he has tried to contact his own dentist before calling the Emergency Service. Also have him understand that a fee will be charged and instruct him to see his own dentist as soon as convenient after the emergency.

The men who have volunteered their time so far are to be commended and we trust that if you are not on the Roster you will submit your name for calls twice a year, once a month, or for any time of your choice, at the Academy Office, WA. 4-8041.

The public has the right to expect emergency service around the clock and this project benefits all concerned, dentists and patients. What is one night out of a whole year. Think what this service can mean for one of your own patients that weekend you are away curling this winter.

CROWN AND BRIDGE STUDY CLUB

OFFICERS FOR 1958 - 59

Honorary President	Frank Martin
Past President	Mark Zimmerman
President	Bruce Jones
Vice-President	F. H. Froud
Secretary-Treasurer	T. Hori
Programme	K. Nicholson
Corresponding Secretary	M. A. Kamienski

A most successful year has been concluded. Dr. Frank Martin accepted the Honorary Presidency of the Study Club. We are extremely fortunate in having Dr. Martin's knowledge and wise counsel available to us.

Monthly meetings are held at Hart House from October to April, refreshments are served. All phases of Crown and Bridge, including ceramics, are considered. Our strong and active membership forms into small groups which meet independently to undertake projects of particular interest. As in the past, an out-of-town clinician will be featured at the March meeting.

New members are welcome, for further information, please communicate with the corresponding secretary (telephone AM. 1-2946) or any member of the executive.

CALENDAR OF MEETINGS

1958

Oct. 2 — Crown and Bridge Study Club
Nov. 6 — Crown and Bridge Study Club
Dec. 4 — Crown and Bridge Study Club

1959

Jan. 8 — Crown and Bridge Study Club
Feb. 5 — Crown and Bridge Study Club
Mar. 5 — Crown and Bridge Study Club
Apr. 2 — Crown and Bridge Study Club

REPORT OF THE SECRETARY, 1957 - 1958

Membership in the Academy of Dentistry, Toronto, maintained its upward trend as in the past several seasons. Our total membership for 1957 - 58 was 607 made up of 8 Honorary Life members, 33 Honorary members and 566 active members.

The Annual Dinner held at the Royal York Hotel on October 21st, 1957, was the first meeting on our programme. Dr. Frank Martin was presented with an Honorary Life membership in the Academy as a recognition of his great service to both the Academy and particularly Dentistry throughout the years. The guest speaker was Mr. W. Harold Rea, President of Canadian Oil Co. Ltd., and he held his audience spellbound with an account, illustrated by coloured pictures, of his trip to Russia the year previous.

The Winter Clinic, with Dr. W. A. Weir as General Chairman, continued to be a very well-attended and very worth-while meeting. The past clinic was highlighted by Dr. D. W. Gullett, Secretary, the Canadian Dental Association, who was the luncheon speaker with the topic "Health Insurance — Where Do We Stand", and by all clinicians who gave much time and effort to make a varied and instructive programme.

Our programme for the year included the usual three Stated meetings in January, February and March. Dr. M. J. Saklad, New York City, was speaker on January 23rd, 1958, with the subject "The Clinical Management of Maligned, Malposed, Mutilated and Missing Anterior Teeth where Aesthetics is Important". On February 13th, 1958, the guest speaker was Dr. M. C. Goldstein, from Atlanta, Ga., and he spoke very competently on the text "Adult Orthodontics for the General Practitioner". The third Stated meeting on March 20th, 1958, consisted of three projected clinics. This type of programme has become very popular and we were very fortunate to have three of our own gifted members participating in the persons of Dr. G. C. Hare, Endodontics; Dr. J. E. Speck, Periodontics and Dr. R. E. Diprose, Oral Surgery. The meetings were held again in Osler Hall and a fellowship hour with refreshments was held after each.

Our members had occasion to attend two other technical meetings during the year. On January 16th, 1958, a joint meeting with the Academy of Medicine was held in Osler Hall. This was a panel discussion on the subject of "The Importance of Focal Infection and Foci of Infection" and featured two medical practitioners and two dentists. Dr. Wm. G. McIntosh and Dr. Harry Hunter represented our Academy in their capable fashion, and Dr. A. L. Chute and Dr. J. A. Turner, both of the Sick Children's Hospital, were the medical panelists. It was gratifying to see that the larger proportion of those present were our members. And on Monday, February 24th, 1958, the Toronto Radiodontic Study group extended to all members an invitation to hear E. Dale Trout of Milwaukee, Wis., speak on "The Evolution of Equipment for Dental Radiography". This meeting was held in Hart House with a good attendance.

One highlight of the year was the Dinner Dance held at the Granite Club on Friday, March 21st, 1958. A formal dance used to be an annual Academy affair but had been dropped for several years. So this year, along with the Dental Alumni Association, our executive decided to revive this social event. Eighty-five couples attended and everyone enjoyed a splendid evening of dinner, dancing and entertainment.

In plans for an ever-increasing usefulness and scope of our Academy, this year an "After-hour Emergency Roster" was put into effect in late March. This was made possible only through the co-operation of those of our members who volunteered to act at least once a year on this much needed service. Every evening after 6 p.m. and on holidays and Sundays, two dentists will be on call for emergencies, one for each of two districts in the Metropolitan area. This will doubtless prove invaluable as public relations for our profession and already has served on many occasions. This After-hour Emergency Roster, along with the Dental Nurses' and Assistants' Registry and our Income Protection Insurance Plan are all examples of expanding services realized through the Academy.

The Academy of Dentistry Prize in the Faculty of Dentistry, University of Toronto for 1958, was shared by Jack Gilbert Dale and his wife Anne.

J. A. B.

AUDITORS' REPORT

The Academy of Dentistry
Toronto, Ontario.

5th May, 1958.

Gentlemen:

We have prepared the attached balance sheet of the Academy of Dentistry as at 30th April, 1958, together with a revenue and expenditure account. Subject to the following report, we hereby certify that, in our opinion, the attached balance sheet is properly drawn up so as to exhibit a true and correct view of the state of the Academy's affairs at that date, according to the explanations and information given us and as shown by the books.

We report upon the various balance sheet items in their order as follows:

ASSETS

Cash in banks \$3,971.96

Your bankers have confirmed the bank balance to us by certificate.

Furniture and Fixtures \$333.25

Less: Accumulated Depreciation 107.18 \$ 226.07

Furniture and Fixtures are shown at cost — less depreciation written off for the year.

Dominion of Canada Bonds \$7,956.98

Details are shown on the face of the balance sheet. We have verified the interest revenue due from these bonds. We have examined the bonds comprising the above total.

LIABILITIES

Accounts Payable Nil

Your Treasurer, Dr. Vernon Herron has certified that all known liabilities to 30th April, 1958, have been paid and that there were at that date, no guarantees or contingent liabilities outstanding.

PROFIT AND LOSS

Details are shown on Shedule "A".

A comparison of the total revenue and expenses for the current year with the preceding one is as follows:

	For the Year Ended	
	30th April, 1958	30th April, 1957
Total Revenue	\$10,140.40	\$8,911.61
Less		
Total Expenses	8,342.08	7,530.54
Surplus or Deficit for the Year	\$ 1,798.32	\$1,381.07

As we were unable to make a complete verification of all the sources of revenue, we are, accordingly, able to certify to the correctness of the revenue account only to the extent that it is in agreement with the books and information given us.

We are,

Yours faithfully,

TESKEY, PETRIE & BURNSIDE,

Chartered Accountants.
